东莞市松茂电池有限公司
DONGGUAN SUNMOL BATTERY CO.,LTD

www.sunmol-battery.com

We are a high-tech manufacturer specializing in developing, manufacturing and distributing many kinds of batteries. And we taken the words "quality always comes first" as our motto. We got the certification of SGS Inspection (H.K.),and pass ISO9001:2015

All our products have complied with the limit of the Directive 2006/66/EC. Many well-known suppliers and enterprises from home and abroad have been selling and utilizing our products.

公司简介 Company profile

Sunmol Battery Co., Ltd. Was established in dongguan city Guangdong Province in 1997. All of our equipments are from the Germany and Japan, we learned the advanced technology from them in the meantime. With the good homemade packaging & printing producing lines and the newly tester, accompany our skillful people and hard-working staff ,we can gurantee the battery quality so that ensure our factory running for more than 20 years. We have been dealing with lots of OEM/ODM orders, nowadays we are exported more than 5,000 millions batteries annually.

We are a high-tech manufacturer specializing in developing, manufacturing and distributing many kinds of batteries. And we taken the words "quality always comes first" as our motto. We got the certification of SGS Inspection (H.K.), and pass ISO9001:2015. All our products have complied with the limit of the Directive 2006/66/EC. Many well-known suppliers and enterprises from home and abroad have been selling and utilizing our products. The main products of this company are: R20, R14, R6, R03, LR20, LR14, LR6, LR03, 9V, 23A, 27A and AG button batteries, and a series of CR lithium button batteries.

Our company is able to meet the developed demands of clients with excellent quality batteries, preferential prices and perfect service. Both OEM and ODM orders are welcome.

We warmly welcome enterprises from all over the world to contact us directly or visit our factory ,sincerely hope to we have chance to cooperate with you, we will try best to pleased you with our good products and best service.

CYLINDEICAL BATTERIES

Alkaline battery column Scope: electric toys, digital cameras, photographic equipment, telephone equipmenl.
CD players, handheld oomputers, Walkman, electric shavers, Dict, PDA electronic toys,
remote control and a large current discharge electronic product.

Range of high-energy carbon batteries apply: alarm clock, wall clock, calculators, toys, remote controls. MP3. telephones,
radios, flashlights, LED electronic products, microphones, multimeter.

Battery Chargers

Sunmol chargers are designed to various needs and standard with flexibility for different budgets

■ MLBC6U33

As Quick As
15 Mins

- * Time Control
- * Temperature Control
- * Highest Voltage Control

Specification:
Input: 12V 5A
Output: AA 4X(1.2V 7A)
AAA 4X(1.2V 7A)

Caution:
1, Indoor use only. Do not expose the charger to rain or moisture.
2, The charger is intended for use with high capacity Ni-MH batteries only. Other type of batteries can be tested by the charger.
3, This charger is only suitable for the required batteries.
Please only choose SUNMOL batteries especially designed for MLBC6U33

Important Notes:
1, Charge time will be different from the capacity of the batteries. Please refer to the flashing LED.
2, It is normal that new batteries can not be charged to its rated capacity when it is used for a first time.
3, To perform best capacity, new batteries have to be charged-discharged 3 to 5 times.
4, Batteries will self-discharge when not in use. It is recommended that you do not let battery sit idle for a long time before use.
5, Batteries can be taken out for use after fast charging. But batteries are fully charged, you must keep to trickle charge.

■ MLBC5N05

■ MLBC6U22

Features:
* Charge 2 or 4 AA/AAA battery
* Reverse polarity and short circuit protection
* Timer cut-off (optional)
* -Direct Plug-in

Specification:
* Class 2 plug-in Ni-MH & Ni-Cd Battery Charger
* Input: 220-240V AC 50Hz 110-120V AC 60Hz
* Output: AA-2X(2.SVDC 150mA) AAA-2X(2.SVDC 50mA)

Packaging:
* Charger Dimension: 116x53x88mm
* Ctn Dimension(cm): 32.5(H)x21.5(W)x62(L)
* Gross weight per carton: 9.8kgs
* Packing: Clamshell
* Pcs per carton: 20pcs
* Net weight per carton: 7.9kgs

Charge time:

Capacity	Charging hrs (approx)
2500AA	17
2100AA	14
1000AA	6.5
800AA	5

Features:
* 1 hour rapid charge
* 4 individual channels
* Charge AA and AAA simultaneously
* 100~240V international voltage
* -Delta Voltage(-ΔV) cut off protection
* Reverse polarity and short circuit protection
* AC/12V DC Car adaptor

Specification:
* Input1: AC 100-240V~50-60Hz
* Input2: DC 12V 1000mA
* Output: 1xAA/AAA 1.4V 1800mA; 2xAA/AAA 2.8V 1500mA;
3xAA/AAA 4.2V 1400mA; 4xAA/AAA 5.6V 1100mA;

Charge time:

Capacity	Charging hrs (approx)
2500AA	1.4
2100AA	1.2
1000AAA	1.1
750AAA	0.83
